

INTERVIEW SUMMARY BY APPLICANTS

At the outset, the Applicants acknowledge with appreciation the courtesy extended by the Examiner during the telephone interview conducted August 26, 2008. During the interview, the Applicants' representative proposed adding a comma in claim 1, line 9, to overcome the rejection under 35 U.S.C. § 112, second paragraph. The Examiner indicated that if the claims were amended to include that comma and if it were identified which figure in the drawings corresponds to the amended claims, he "should have no problem" allowing the application.
